Re: Rearrangements home staging

We used Rearrangements Home Staging on our model home in Lakeside Subdivision & the experience was fantastic. Martha worked her design magic & when she was finished, our empty house looked more like a home. The transformation from empty model home to what she created was really stunning.

She certainly has an eye for details & the cost was just right.

We received an offer within 1 week of her staging the home & sold it for full price.

Working with them was a fabulous experience & I would strongly recommend Martha to anyone looking to have their home staged prior to listing & showing their home.

Please feel free to contact me if you have any questions regarding this matter.

Thanks
